

1 **Amendment to the Specification**

2 **In the Specification:**

3 Please amend the specification as follows:

4 On Page 30, the paragraph beginning at line 3 should be replaced with the following.

5
6 Step 1030 is followed by step 1035 where the options that define the List Object are saved.
7 Not only are the data field settings or formatting saved, but also each field in each record ~~are~~ is
8 logically associated with every other field in the record. In this way, the entire collection of data
9 within the List Object is treated as a single unit. Finally, step 1035 is followed by the "END" step.
